

# Media facts at a glance

## Your company entry

In the Vogel B2B online network, our users are looking for specialist knowledge and solutions to problems. With your company entry, we can also supply the right solution provider for this content. With us, your company not only appears in our company database, it is also displayed in the appropriate editorial context at all times.

## Your benefits

- You benefit from an editorially high-quality and high-reach environment.
- You present your company as a solution provider in a targeted manner.
- With your company entry, you contribute to your SEO\* strategy, for every external link from thematic and search engine-relevant pages counts.
- With one click, users are given the contact data of the people responsible for them at your company.

## Options

### Premium company entry

Prominent placement – efficient entry. With the premium package, you present your range of products and services so that they attract maximum attention and offer every contact option.

- Placement of the entries before business
- 20 product depictions in the showroom
- Integration of brochures, pictures, dates, company news, etc.
- Contact form
- Contact person with photo

**1,795.00 EUR per year\*\***

### Business company entry

A business company entry offers you an attractive and low-cost placement incl. a short description of your company.

- Placement of the entries before Basic
- 10 product depictions in the showroom

**945.00 EUR per year\*\***

\* Search engine optimisation

\*\* depending on specialist portal e.g. maschinenmarkt.de, elektronikpraxis.de, elektrotechnik.de, process.de, laborpraxis.de, konstruktionspraxis.de, blechnet.de, mm-logistik.de etc.

Minimum duration 1 year. The entry is extended by one year for the valid list price if it is not terminated in writing, giving a period of three months to the end of the contract.
